

TOP SECRET

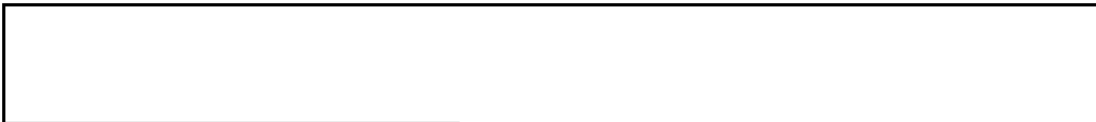

15 December 1967

MEMORANDUM FOR: Deputy Director for Science and Technology

OX CART mission BX6739 was flown on 15 December 1967 against targets of interest in North Vietnam. This was the twenty-first mission to date.

Aircraft departed Kadena AB at 0232Z and accomplished two passes over North Vietnam. This mission was scheduled to arrive in the Hanoi area coincident with strike forces from Task Force 77. Mission duration was four hours and nine minutes. Recovery at Kadena AB was normal.

Pilot reports weather was clear in the target area and excellent results from mission take are expected.
